Mr. Martin L. Schnider
Executive Vice President
Northern Virginia Savings & Loan Association
4025 Wilson Boulevard
Arlington 3, Virginia

Dear Mr. Schnider:

I have your letter of 9 October 1959 concerning our new building and the possibility of locating a branch of your association in the building.

As we advised you in our letter of 13 December 1957, there is no provision in our building plans for space for the operation of private enterprise. We still have not reached a conclusion as to the possibility of providing for such facilities elsewhere on the property. In the meantime, we have your letter in our files for future reference in the event that it becomes possible to accommodate private enterprises on the premises.

Your continued interest in this matter is very much appreciated.

Sincerely,

Signed

L. K. White
Deputy Director
